Call for Papers

The topics of interest include, but are not limited to:

Track 1: Computer Science	Track 2: Intelligent Control Technology
Computer vision	Unmanned systems
Big data analytics	Cyber-physical systems
Pattern recognition	Intelligent control
Computer security	Networked control
Computer network	Adaptive control
Computer simulation	Sliding mode control
Artificial intelligence	Anti-disturbance control
Modeling and optimization	Fault detection and fault tolerant control
Knowledge data engineering	Health management
Image and signal processing	

Special Sessions

Session I – Intelligent Signal Processing and Control
Chair: Prof. Ning Li, Henan University of Economics and Law, China
Co-chair: Prof. Junfeng Zhang, Hainan University, China
Co-chair: Prof. Jun Huang, Soochow University, China
Co-chair: Prof. Hao Tang, Hainan University, China

Session II – Underwater Acoustic Signal Processing
Chair: Prof. Yuxing Li, Xi'an University of Technology, China
Co-chair: Prof. Jianbo Zhou, Northwestern Polytechnical University, China
Co-chair: Prof. Wen Zhang, National University of Defense Technology, China

Session III – Safe Learning Based Model Predictive Control
Chair: Prof. Xiaodong Xu, Central South University, China

Session IV – Intelligent Perception and Optimization Control
Chair: Prof. Ruizhuo Song, University of Science and Technology Beijing, China

Session V – Advances Artificial Intelligence Approaches and Its Applications on Intelligent Agents
Chairs: Prof. Darong Huang, Anhui University, China
Prof. Shuiqing Xu, Hefei University of Technology, China
Prof. Yuhong Na, Anhui University, China

Session VI – Advanced Graph Deep Learning and Graph Reinforcement Learning: Applications and Innovations in Intelligent Systems
Chair: Prof. Dazi Li, Beijing University of Chemical Technology, China

Session VII – Intelligent Analysis and Processing of Medical Imaging
Chair: Prof. Junjun Pan, Beihang University, China
Co-chair: Prof. Chao Fan, Henan University of Technology, China

Session VIII – Artificial Intelligence and Data Security in Financial Information Systems
Chair: Prof. Jia Xie, Henan University of Economics and Law, China
Co-chair: Prof. Guoyu Xu, Henan University of Economics and Law, China

Keydates

Abstract Submission: July 16, 2024
Full Submission: July 30, 2024
